## Cargo compartment cover

J8903307

# Installation instructions, accessories

Volvo Car Corporation Gothenburg, Sweden

## INTRODUCTION

Read through all of the instructions before starting installation.

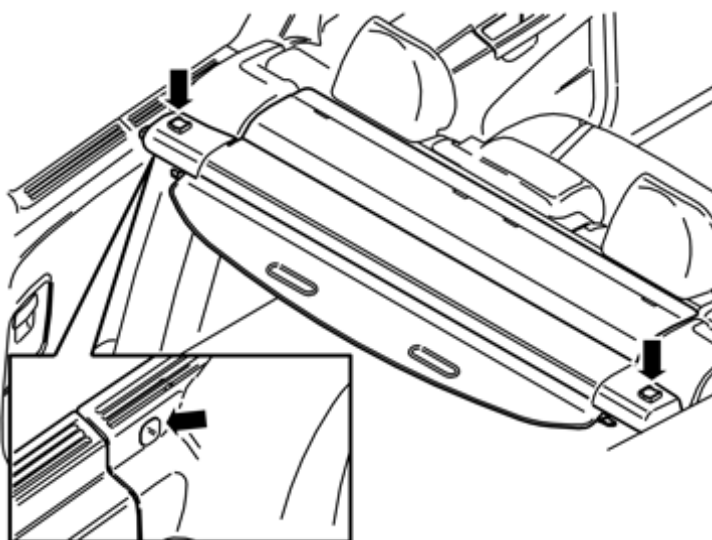

Notifications and warning texts are for your safety and to minimise the risk of something breaking during installation.

Ensure that all tools stated in the instructions are available before starting installation.

Certain steps in the instructions are only presented in the form of images. Explanatory text is also given for more complicated steps.

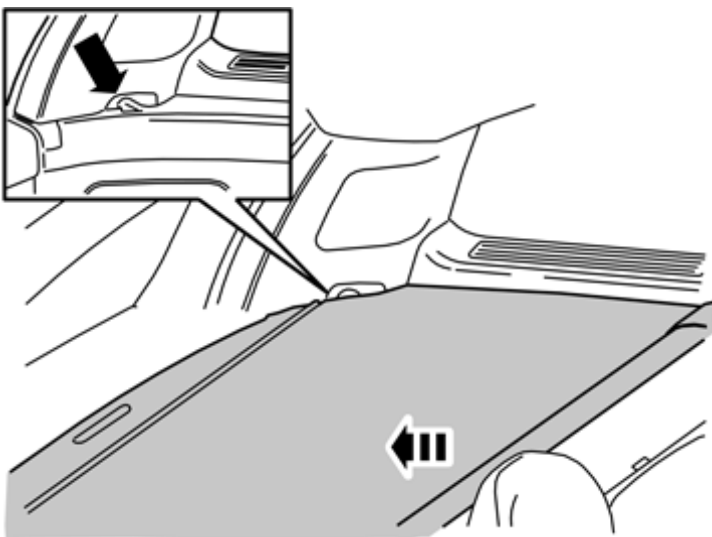

In the event of any problems with the instructions or the accessory, contact your local Volvo dealer.

## Installing the cargo compartment cover

### Illustration A

Position the cassette for the cargo compartment cover with the lock pins at the end of the cassette opposite the cut outs in the upper / front edges of the side panels in the cargo compartment

Press down the two catches on each side of the cassette. The ends now slide out and the lock pins lock the cassette in place in the cut-outs in the side panels.

### Illustration B

Pull out the cargo compartment cover. Hook the cargo compartment cover into the cut-outs in the rear side panels.

The front edge of the cassette for the cargo compartment cover has a storage compartment with a cover.

## Removing the cargo compartment cover

Press one of the catches in. Press the whole cassette towards the side panel until the end is locked in the pressed in position. Repeat the operation on the other side. Lift the cargo compartment cover out.
