Installation instructions, accessories

Volvo Car Corporation Gothenburg, Sweden

INTRODUCTION

Read through all of the instructions before starting installation.

Notifications and warning texts are for your safety and to minimise the risk of something breaking during installation.

Ensure that all tools stated in the instructions are available before starting installation.

Certain steps in the instructions are only presented in the form of images. Explanatory text is also given for more complicated steps.

In the event of any problems with the instructions or the accessory, contact your local Volvo dealer.

IMG-227840

Work from inside the car. Remove the centre section of the backrest by pulling the opening handle, then pull straight up so that it detaches from the lower bracket.

IMG-227841

Detach the retaining strap for the puncture repair kit's compressor if fitted. Remove the compressor.
