INTRODUCTION

Read through all of the instructions before starting installation.

Notifications and warning texts are for your safety and to minimise the risk of something breaking during installation.

Ensure that all tools stated in the instructions are available before starting installation.

Certain steps in the instructions are only presented in the form of images. Explanatory text is also given for more complicated steps.

In the event of any problems with the instructions or the accessory, contact your local Volvo dealer.

Clean the surface.

15

IMG-339859

Applies to cars with manual gearbox

Hook the protector on to the brake pedal at the upper edge and pull downwards.

16

IMG-339860

Applies to cars with manual gearbox

Press the protector towards the pedal, at the same time as folding the protector's profile over using a weatherstrip tool. Important. Using a mirror, check that the profiles of the protector are around the edges of the pedal.

Repeat the steps for the clutch pedal.
