INTRODUCTION

Read through all of the instructions before starting installation.

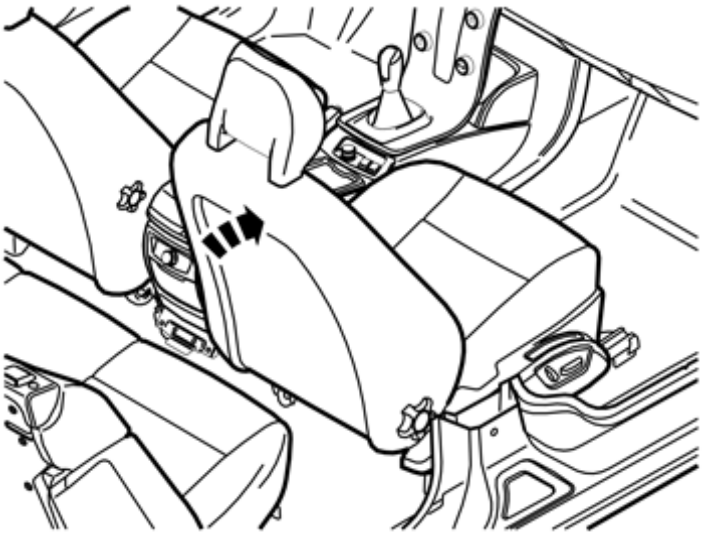

Notifications and warning texts are for your safety and to minimise the risk of something breaking during installation.

Ensure that all tools stated in the instructions are available before starting installation.

Certain steps in the instructions are only presented in the form of images. Explanatory text is also given for more complicated steps.

In the event of any problems with the instructions or the accessory, contact your local Volvo dealer.

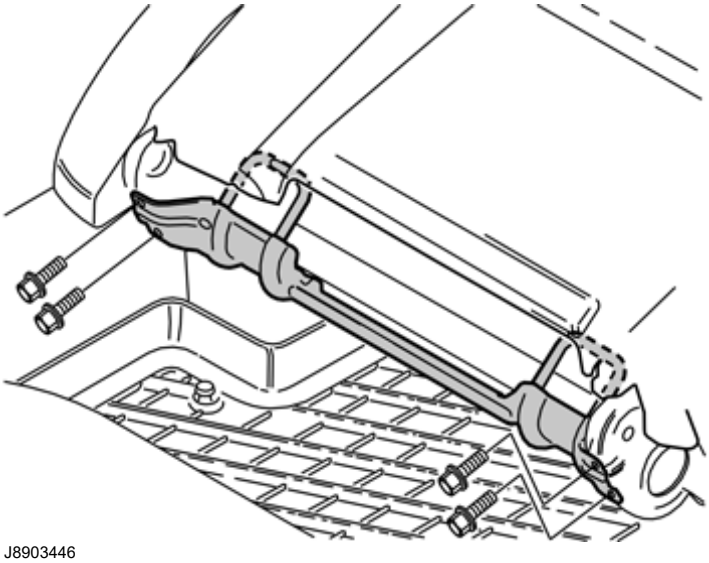

1

J8903447

Fold the backrest forward on the front passenger side.

2

J8903446

Install the ISOFIX attachment to the SIPS tube with the four screws from the kit. Tighten the screws to 10 Nm (7.5 lbf.ft.)

Reset the backrest.
