Installation instructions, accessories

Volvo Car Corporation Gothenburg, Sweden

INTRODUCTION

Read through all of the instructions before starting installation.

Notifications and warning texts are for your safety and to minimise the risk of something breaking during installation.

Ensure that all tools stated in the instructions are available before starting installation.

Certain steps in the instructions are only presented in the form of images. Explanatory text is also given for more complicated steps.

In the event of any problems with the instructions or the accessory, contact your local Volvo dealer.

1

IMG-275028

Carefully remove the bumper cover grilles on both sides by carefully pulling them off using tool part no. 9512943.

2

IMG-306629

Clean the bumper cover where the decor strip is to be secured.

3

Align the decor panel in the cut-out and press it into place.
Ensure that all hooks engage.

Repeat the operation on the other side.
