## Information

1

Read through all of the instructions before starting installation.

Notifications and warning texts are for your safety and to minimise the risk of something breaking during installation.

Ensure that all tools stated in the instructions are available before starting installation.

Certain steps in the instructions are only presented in the form of images. Explanatory text is also given for more complicated steps.

In the event of any problems with the instructions or the accessory, contact your local Volvo dealer.

## Conditions

2

When installing, the car must retain a temperature of 20 degrees C.

After installation, the car must not be driven for 2 hours

After installation, the car must not be washed for 48 hours
